- **Insurance + USPS Priority Return Shipping** +\$8
- **Premium Package** +\$13 *(Includes High-Resolution Photos and Insured Priority Return Shipping)*

## HOW IT WORKS

**Step 1 – Purchase the Service:** Select your authentication type and any add-ons. Complete checkout.

**Step 2 – Ship Your Banknote:** Carefully package and mail your note to the address provided in your order confirmation.

**Step 3 – Review & Analysis:** Your banknote is physically examined for known authentic security features, print characteristics, and common counterfeit indicators.

**Step 4 – Receive Your Results:** You'll receive:

- A written PDF report outlining findings
- A Certificate of Authenticity (if genuine)
- Your returned banknote via your selected shipping method

## HOW TO PROPERLY PACKAGE YOUR BANKNOTE

To protect your note during shipping:

1. Place the banknote in a protective sleeve (plastic currency sleeve recommended).
2. Sandwich the sleeved note between two pieces of clean, rigid cardboard.
3. Tape the cardboard edges securely so the note cannot shift.
4. Place in a padded mailer or sturdy envelope.
5. Do not fold the banknote.
6. Do not use paper clips or staples.

*For higher value notes, consider purchasing tracking and insurance when mailing.*

## IMPORTANT NOTES

- If your note is determined to be **counterfeit**, you will receive a written report explaining the findings.
- No refunds are issued based on authenticity outcome.
- This is an independent authentication service and not affiliated with the Reserve Bank of Zimbabwe or grading service.

## WHO THIS SERVICE IS FOR

- Online marketplace buyers
- Estate or inherited collections
- Collectors unsure of authenticity or sellers who want documentation before listing
